WHAT WE WANT

- * To leave no one behind
- * To guarantee gender equality, social inclusion and human rights for everyone
- * To empower inclusive, productive and smart cities
- * To improve agricultural systems and manage natural resources in a sustainable way
- * To establish the Sustainable Development Goals
- * To control the anthropogenic climate change
- * To guarantee resources for the next generations
- * To guarantee the health and well-being of the people
- * To protect biodiversity
- * To broaden civil society participation
